2.4 Amount Due and Owing Under Recurrent Transactions

As at 31 December 2017, the amount due and owing to the MBC Group by its related party under the recurrent transactions which exceeded the credit terms are as follows:

Related Party	Trade Receivables from Related Party due for	
	1 year or less (RM)	More than 1 to 3 years (RM)
PCL Group	4,067,670	0

There were no interest and late payment charges imposed by MBC Group on the overdue trade receivables as it was trade in nature. The Management is constantly following up with the debtors on the outstanding amount. The Board of Directors is of the opinion that there will be no recoverability issue as the related party is the Group's long trading partner with good credit standing.

2.5 The Procedures for Review of Recurrent Transactions

MBC Group has established various procedures to ensure that the Recurrent Transactions contemplated under the Mandate are undertaken on transaction prices and are conducted on an arm's length basis and on normal commercial terms, which are consistent with MBC Group's normal business practices and policies, and on terms not more favourable to the related parties than those generally available to the public and are not detrimental to the minority shareholders.

In this respect, MBC Group has implemented the following review and disclosure procedures with regards to Recurrent Transactions:

- (a) The employees of MBC Group will be notified of the identities of the related parties and will be required prior to entering into such transactions, to ensure that all the Recurrent Transactions are consistent with MBC Group's normal business practices and policies, and on terms not more favourable to the related parties than those generally available to the public and are not detrimental to the minority shareholders.
- (b) The transaction prices and terms are determined based on the prevailing market rates which are determined by market forces, demand and supply, specifications and other relevant factors. Where practical and feasible, quotations and/or tenders will be obtained from at least two (2) other contemporaneous transactions with unrelated third parties for the same or substantially similar products or services and/or quantities to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where it is impractical or impossible for quotes and/or tenders to be obtained from unrelated third parties, the transaction price will be based on prevailing market rates agreed upon under similar commercial terms for transactions with third parties, business practices and policies and on terms which are generally in line with industry norms to ensure that the transaction is not detrimental to the Group.
- (c) There are no specific thresholds for the approval of Recurrent Transactions within the Group. All transactions will be reviewed monthly by the Company's Finance Department together with the Corporate Secretarial Department to identify the Recurrent Transactions and ensure that they are within the shareholders' mandate obtained.
- (d) The annual internal audit plan will incorporate a review of the Recurrent Transactions entered into pursuant to the Proposed Shareholders' Mandate to ensure that the internal control and procedures in respect of the Recurrent Transactions are adhered to.

- (e) The Audit Committee will review the internal audit report quarterly to ascertain that relevant procedures, guidelines and policies established to monitor the Recurrent Transactions have been complied with.
- (f) The Board and the Audit Committee will have the overall responsibility for the determination of the review procedures, including any addition or variation thereto, where applicable. The Board and the Audit Committee may also appoint individuals or committees within the Company to examine the Recurrent Transactions as they deem appropriate. If a member of the Board or the Audit Committee has an interest in a transaction, he will abstain from any deliberation and decision-making by the Board or the Audit Committee in respect of the said transaction.
- (g) Records will be maintained by the Company's Finance Department to capture all Recurrent Transactions which are entered into pursuant to the Proposed Shareholders' Mandate.
- (h) Disclosure will be made in the annual report of the Company in respect of the breakdown of the aggregate value of the Recurrent Transactions made during the financial year during which a shareholders' mandate is in force, based on the type of the transactions made, the names of the related parties involved in each type of Recurrent Transactions made and their relationship with MBC Group.

3. RATIONALE FOR THE PROPOSED SHAREHOLDERS' MANDATE

The Recurrent Transactions envisaged in the Proposed Shareholders' Mandate are in the ordinary course of business of MBC Group. They are recurring transactions of a revenue or trading nature which are likely to occur with some degree of frequency and arise at any time and from time to time. These transactions may be constrained by their time-sensitive and confidential nature, and it may be impractical to seek shareholders' approval on a case-by-case basis before entering into them.

By obtaining the shareholders' mandate and renewing the same on an annual basis, it will eliminate the need to convene separate general meetings from time to time to seek shareholders' approval as and when potential Recurrent Transactions arise, thereby substantially reducing administrative time, inconvenience and expenses in convening such meetings, without compromising the corporate objectives or adversely affecting business opportunities available to MBC Group.

MBC Group should be able to have access to all available markets, products and services with unrelated and related parties. MBC Group benefits from the Recurrent Transactions through the synergies that are derived from the related parties' global network and expertise. Transacting with the related parties enhances the ability of MBC Group to explore beneficial business opportunities. As such, the Proposed Shareholders' Mandate is of paramount importance for the continued success and viability of MBC Group.

4. AUDIT COMMITTEE STATEMENT

The Audit Committee has seen and reviewed the procedures set out in Section 2.5 above and is of the view that the said procedures are sufficient to ensure that the Recurrent Transactions are not more favourable to the related parties than those generally available to the public, and are not to the detriment of the minority shareholders of MBC.

The Audit Committee is of the view that the Group has put in place adequate procedures and processes to monitor, track and identify Recurrent Transactions in a timely and orderly manner, to ensure that the Recurrent Transactions are, at all times, carried out on terms consistent within the Group's practices and are not to the detriment of the minority shareholders. These procedures and processes are reviewed by the Audit Committee on quarterly basis and whenever the need arises.

5. APPROVAL REQUIRED

The Proposed Shareholders' Mandate is subject to approval being obtained from the shareholders of MBC at the forthcoming AGM.
